

Personal Empowerment and Leadership Training

A 7 week Tele-class series with Dr. Ibrahim Jaffe

When your heart is free from limiting beliefs and pictures, all who come in contact with you will feel the love, warmth, and radiance that emanates from a heart in alignment and surrender to the Divine.

So often our hearts get clouded, with judgment and self-doubt; these limiting beliefs and pictures can hold us back from experiencing and expressing God's Reality.

In this Tele-class series, Ibrahim will help participants to find their inner confidence and certainty with Allah.

Allow Ibrahim to help you:

- Clear known or hidden limiting beliefs that may be keeping you from truly shining with Allah's beauty
- Communicate effectively and express yourself, in relationship, teaching, and even in self-healing
- Fully step into your role as a teacher, leader, or healer
- Be a more effective teacher, leader, or healer
- Learn to discover what others are really needing, despite what they may be saying
- Learn to stay in alignment, even during difficult situations
- How to share the jewels of this path with others

“When you are in alignment with the Divine and able to speak freely and openly, amazing transformations can happen for you and others.”
